

LICK RUN HISTORIC PROPERTY MITIGATION

1786 Westwood Avenue (Queen Anne style)

1806 Westwood Avenue (American Foursquare style)

1824 Westwood Avenue (former Vitt & Stermer Funeral Home – Mission style)

1789 Queen City Avenue (nun's house)

1783 Queen City Avenue (Queen Anne style)

2311 Grand Avenue (old Niehoff dairy – of community interest only, not eligible for National Register of Historic Places)

Three meetings with interested community members were held. Examples of mitigation options discussed include:

- Video history
- Cultural trail
- Relocate buildings
- Relocate moon tree
- Website
- Property documentation

Mitigation plan is available in hard copies and on Lick Run Website: [www. projectgroundwork.org](http://www.projectgroundwork.org).

Next steps include:

- Further evaluate the feasibility of mitigation options with interested stakeholders (e.g., building relocation)
- Seek outside funding for mitigation options
