

WYOMING & MINION AVENUES

Starting in the Fall

Anticipated Construction: Fall 2016 - Fall 2017

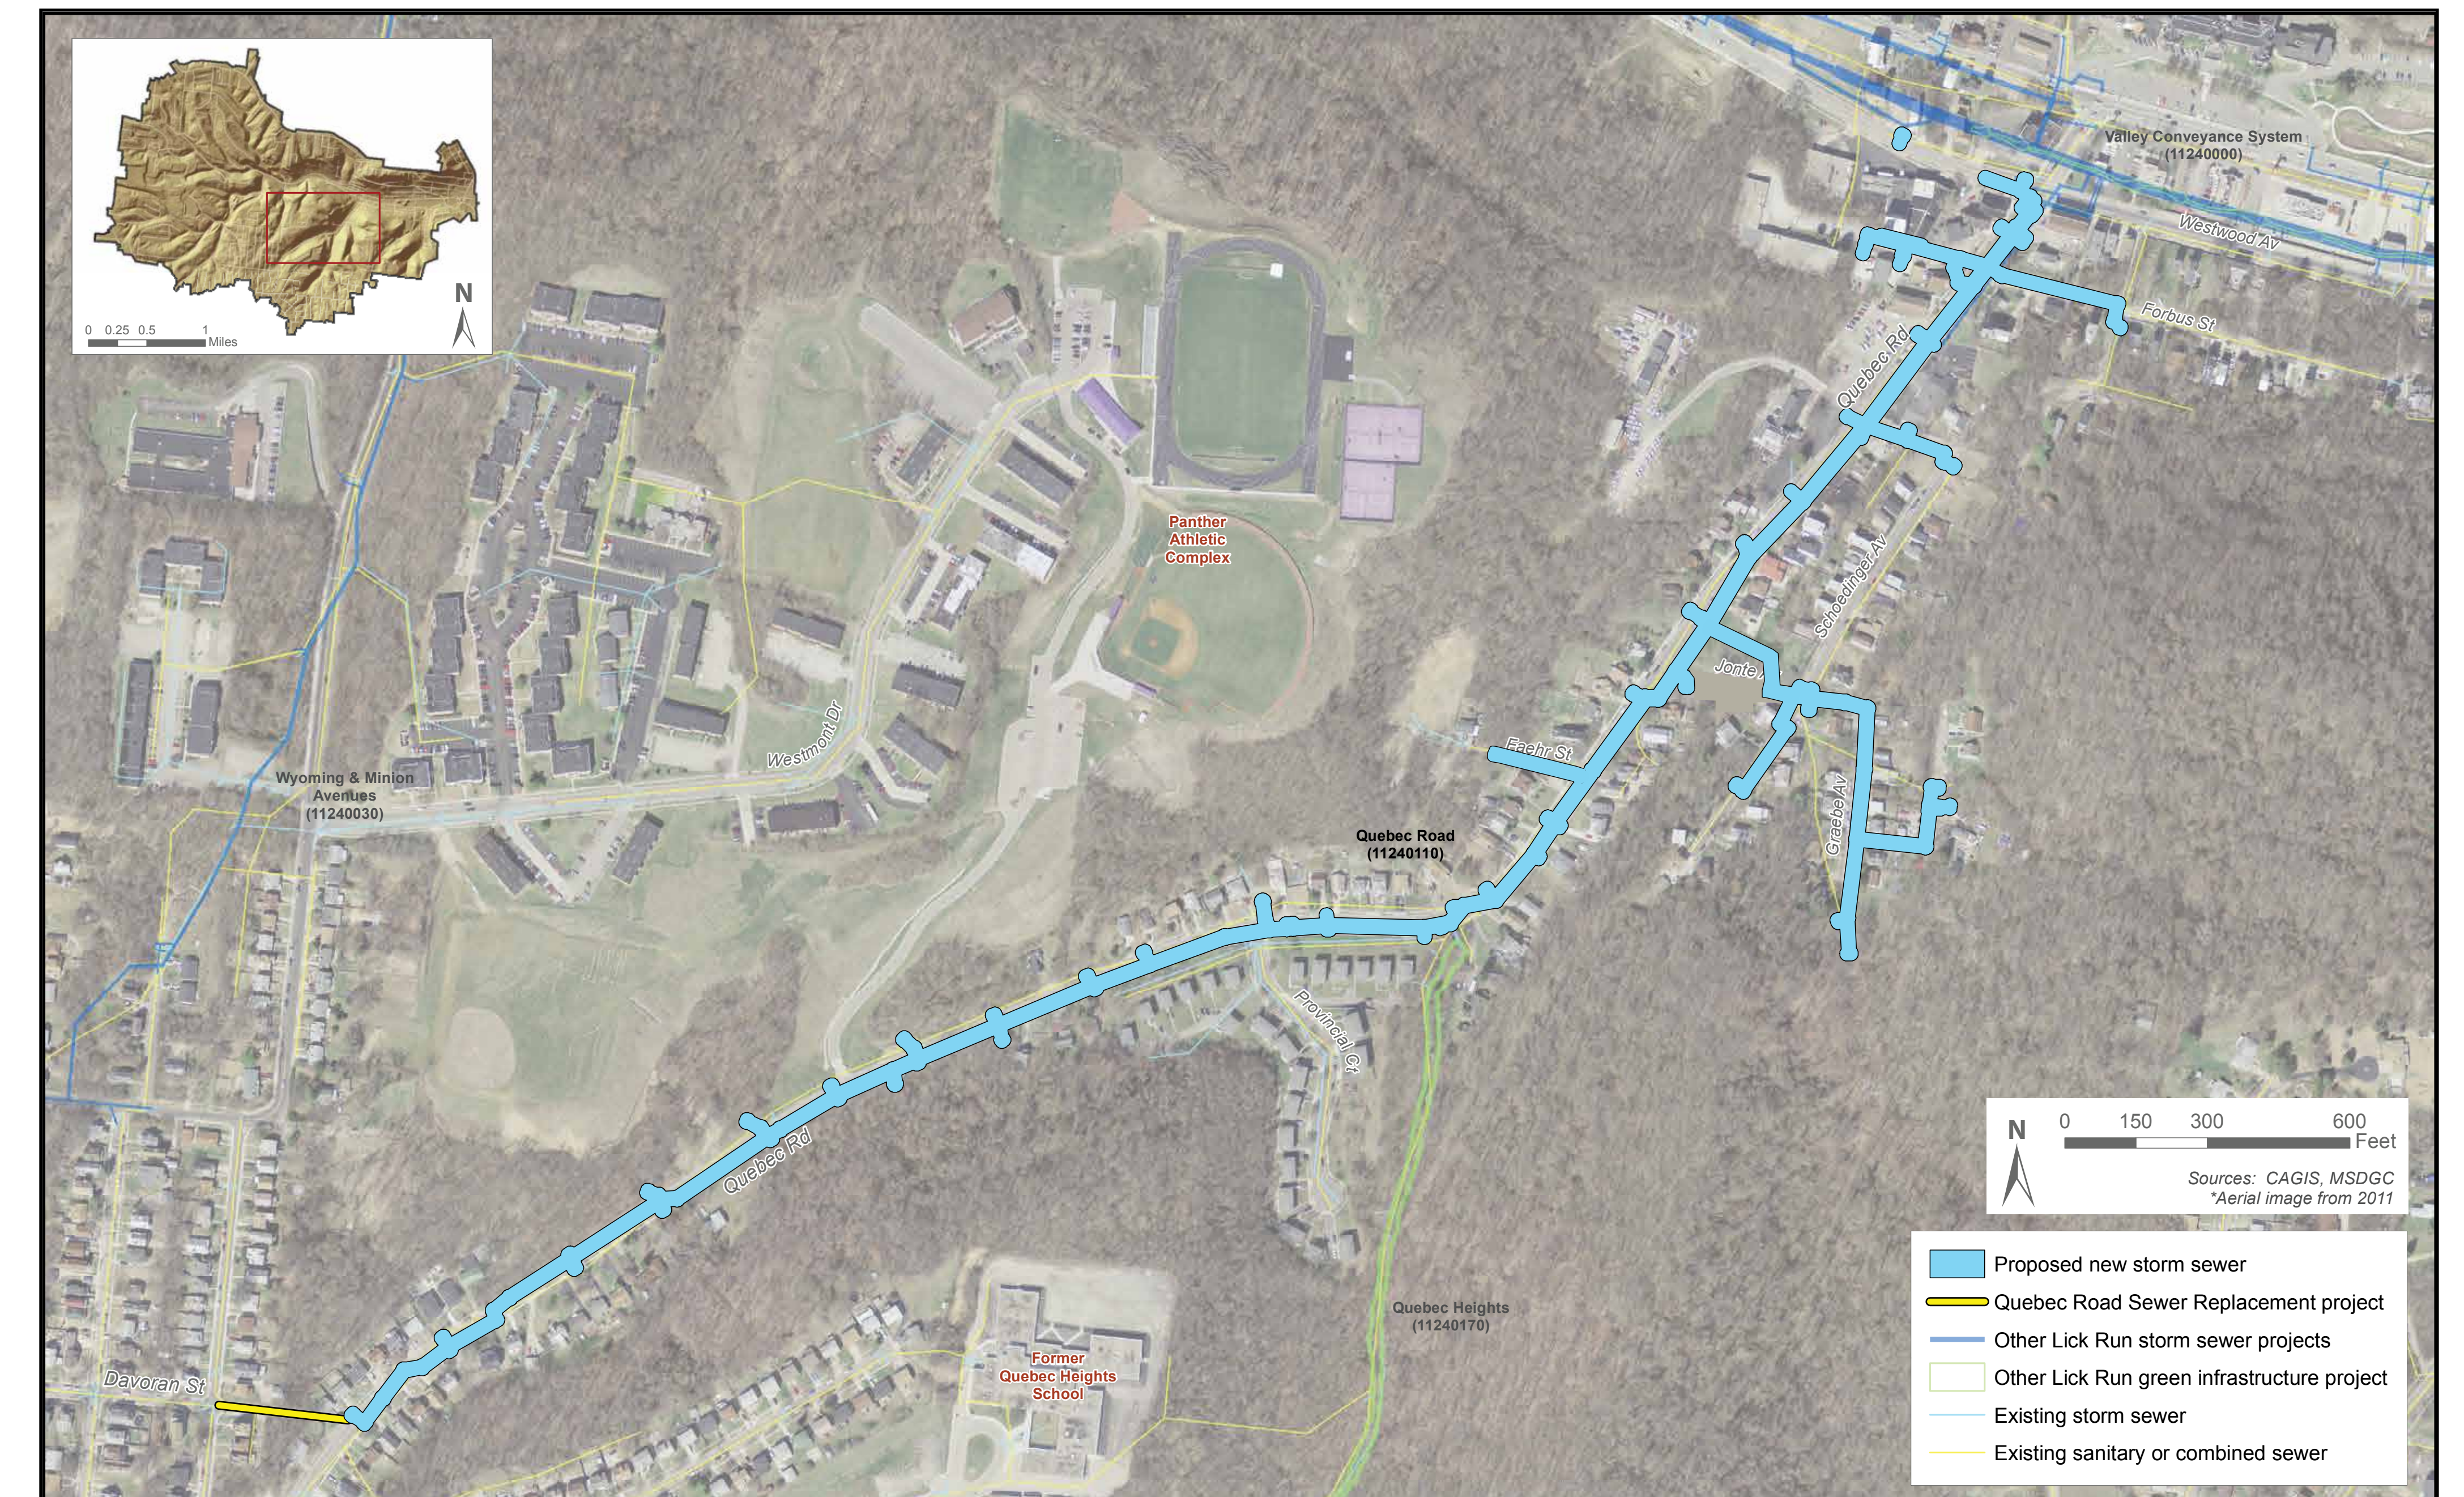

Project Description: About 3,100 linear feet of new storm sewer will be installed along Wyoming Avenue and multiple side streets: Westmont Drive and Beech, Latham, Minion and Manss avenues. It will connect to storm sewers along Queen City Avenue.

QUEBEC ROAD

In Design

Anticipated Construction: Summer 2017 - Summer 2018

Project Description: About 8,800 linear feet of new storm sewer will be installed along Quebec Road, a short segment of Westwood Avenue and multiple side streets: Thinnes Street, Forbus Street, Lierman Street, Jonte Avenue, Schoedinger Avenue, Graebe Avenue, Lorna Lane, Margaret Street and Faehr Street. It will connect to storm sewers for the Lick Run Greenway.
